

18. MISSOURI VEHICLE TRACKING INDEX AND NICB

- We have access to vehicle information through Department of Revenue that deals with VIN numbers, title histories, etc. We also have access to NICB (National Insurance Crime Bureau), and keep a monthly Auto Theft File.

19. IMMIGRATION AND CUSTOM ENFORCEMENT

- Can contact ICE (INS) for information if needed.

20. TRAINING

- Will provide training to law enforcement and the public concerning missing persons and child safety.

21. AMBER ALERT/ENDANGERED PERSON ADVISORY/SILVER ALERT

- The Missing Persons Unit verifies information from all law enforcement agencies requesting an Alert or Advisory, and then approves or denies the request.

22. DNA INITIATIVE

- The Missing Persons Unit will collect DNA from family members on missing persons cold cases. The unit accepts requests from law enforcement agencies. If contacted by the public, the unit will coordinate the collection with the investigating agency. The DNA results will be entered into CODIS. For more information, please contact the Missing Persons Unit.

23. PROJECT REST

- Coordinates with the Missouri Department of Transportation to display posters of missing persons at all rest areas and welcome centers throughout Missouri.

Missouri State Highway Patrol Missing Persons Unit

Missing Persons Clearinghouse

Listed below are current services and a summary of each service the Missouri State Highway Patrol Missing Persons Unit/Clearing-house provides.

1. MISSOURI UNIFORM LAW ENFORCEMENT SYSTEM (MULES)

- Department of Revenue Information (driver's license and/or vehicle information, etc.)
- Criminal History Information
- NCIC/MULES (wants/warrants and off-line searches)
- Kansas City ALERT System
- St. Louis REJIS System
- TAS/DWITS (Traffic Information)

2. INTELLIGENCE DATABASE

- Missouri State Highway Patrol Intelligence Reports (MOSPIN, Organized Crime, Narcotics, etc.)

3. MULES IV MISSING PERSONS FILES

- Capability to run specific information to determine if an individual has ever been reported missing in Missouri, even if they had been located and taken out of NCIC.

4. LENS

- Access to Department of Corrections files to determine if someone is incarcerated in Missouri or has ever been incarcerated.

5. INTERPOL

- A network of worldwide law enforcement agencies that cooperate and assist in any requests involving criminal investigations. This is especially helpful with international abductions.

6. REFERENCE USA

- Phone directory assistance for residential and business phone numbers. Can get some information concerning cell phones. Non-published numbers will need a subpoena.

7. POSTAL SERVICES

- Can obtain current and past information on addresses, post office boxes, and change of address by contacting the postal inspector in Kansas City, St. Louis, or Springfield depending on the address location.

8. FINCEN

- Financial Crimes Enforcement Network provides information and leads on criminal organizations/activities to law enforcement agencies by using commercial databases and the financial database.

9. BIRTH/DEATH/MARRIAGE VERIFICATIONS

- Vital Statistics will send us a copy of any birth/death/marriage certificate from Missouri. Must know specific information (names, dob, dod, county, etc.). Birth and death records go back to 1910, marriage and divorce records go back to July 1, 1948.

10. EMPLOYMENT SECURITY FILES

- We have access to information on employment history on an individual, and if unemployment compensation has been paid. This file will list the name and address of the employer and what quarterly salary was paid to the individual. In some cases, a current address is listed for the employee. A social security number is necessary to access these files.

11. ACCURINT

- Contains billions of current and historical records on individuals and businesses.

Information includes basic city, street, and state address information, real time telephone searches, boat, aircraft and vehicle registration, state specific searches, and much more.

12. MISSING PERSONS POSTERS

- The unit is equipped with the LOCATER system that is capable of making posters of missing persons, stolen vehicles, wanted persons, etc. The poster can be e-mailed, faxed, or mailed anywhere.

13. FAMILY SERVICES INQUIRIES

- Agents in the Welfare Information Unit will assist our agency in determining if any parent or child is entered into the Missouri system for receiving any welfare benefits, such as food stamps, WIC, etc. Checks can be made with name and/or date of birth and/or social security number.

14. FLAGGING OF RECORDS

- We can flag any birth and/or school record if it is needed in a missing child case.

15. DRIVER LICENSE PHOTO

- We have access to driver license photos. We can send them by mail or e-mail them as long as your agency has a secure line, such as RISS.net.

16. ANALYTICAL SERVICES

- On complex cases, an analyst can provide analytical charting (link charts, flow charts, investigative organization) to give a clear view of the case.

17. LOCAL/STATEWIDE AGENCY CONTACT LIST

- We have access to local, county, and statewide law enforcement contact numbers.
